

Ingredients

1 ounce vodka
bloody Mary Mix
juice of 1/2 a lime
Tabasco (to taste)
ice
celery for garnish

What To Do

Fill a tall glass with ice and pour in vodka, add bloody Mary mix to half an inch of the top of the glass, squeeze in the juice of half a lime, a few drops of Tabasco sauce to taste, then throw in that celery to garnish.

Of course all of this can be adjusted to your likeness, but I like a citrus-y, spicy Mary! C'est Si Bon!
