

Ingredients

- 2 chicken breasts
- 1 tablespoon dried rosemary
- 2 tablespoons mayonnaise
- 1 tablespoon fresh tarragon
- 4-6 kalamata olives

What To Do:

Boil chicken in water that's been seasoned with salt and the dried rosemary. Dice the chicken and while still warm add enough mayo to bind. Chop up the fresh tarragon and the olives and add to the chicken. Add salt and pepper to taste.

This gets better if you let it sit overnight.
